If an employee makes a claim for an injury in another jurisdiction, the employee is precluded from his or her right of action under the Administrative Workers' Compensation Act unless the Workers' Compensation Commission determines that there is a change in circumstances that creates a good cause to bring the claim under the Administrative Workers' Compensation Act; provided, however, that the employee may not receive duplicate benefits to those received in the foreign jurisdiction and the employee's right to bring a claim under this act shall be subject to the limitations period for bringing a claim pursuant to paragraph 1 of subsection A of Section 69 of this title. Nothing in this act shall be construed to conflict with any valid Act of Congress governing the liability of employers for injuries received by their employees.

B. ~~This act~~ The State of Oklahoma accepts the provisions of the Acts of Congress designated as 40 U.S.C., Section 3172, formerly 40 U.S.C., Section 290, and hereby extends the territorial jurisdiction of the Administrative Workers' Compensation Act of this state to all lands and premises within the exterior boundaries of this state which the Government of the United States of America owns or holds by deed or act of cession, and to all purchases, projects, buildings, constructions, improvements and property within the exterior boundaries of this state belonging to the Government of the

~~C. D.~~ The Workers' Compensation Code in effect before the effective date of this act February 1, 2014, shall govern all rights in respect to claims for injuries and death based on accidents occurring before ~~the effective date of this act~~ February 1, 2014.

SECTION 3. AMENDATORY Section 5, Chapter 208, O.S.L. 2013 (85A O.S. Supp. 2018, Section 5), is amended to read as follows:

Section 5. A. The rights and remedies granted to an employee subject to the provisions of the Administrative Workers' Compensation Act shall be exclusive of all other rights and remedies of the employee, his legal representative, dependents, next of kin, or anyone else claiming rights to recovery on behalf of the employee against the employer, or any principal, officer, director, employee, stockholder, partner, or prime contractor of the employer on account of injury, illness, or death. Negligent acts of a co-employee may not be imputed to the employer. No role, capacity, or persona of any employer, principal, officer, director, employee, or stockholder other than that existing in the role of employer of the employee shall be relevant for consideration for purposes of this act, and the remedies and rights provided by this act shall be exclusive regardless of the multiple roles, capacities, or personas the employer may be deemed to have. ~~For the purpose of extending the immunity of this section, any operator or owner of an oil or gas well or other operation for exploring for, drilling for, or producing oil or gas shall be deemed to be an intermediate or principal employer for services performed at a drill site or location with respect to injured or deceased workers whose immediate employer was hired by such operator or owner at the time of the injury or death.~~

B. Exclusive remedy shall not apply if:

1. An employer fails to secure the payment of compensation due to the employee as required by this act. An injured employee, or

his or her legal representative in case death results from the injury, may, at his or her option, elect to claim compensation under this act or to maintain a legal action in court for damages on account of the injury or death; or

2. The injury was caused by an intentional tort committed by the employer. An intentional tort shall exist only when the employee is injured as a result of willful, deliberate, specific intent of the employer to cause such injury. Allegations or proof that the employer had knowledge that the injury was substantially certain to result from the employer's conduct shall not constitute an intentional tort. The employee shall plead facts that show it is at least as likely as it is not that the employer acted with the purpose of injuring the employee. The issue of whether an act is an intentional tort shall be a question of law.

C. The immunity from civil liability described in subsection A of this section shall apply regardless of whether the injured employee is denied compensation or deemed ineligible to receive compensation under this act.

D. If an employer has failed to secure the payment of compensation for his or her injured employee as provided for in this act, an injured employee, or his or her legal representative if death results from the injury, may maintain an action in the district court for damages on account of such injury.

E. The immunity created by the provisions of this section shall not extend to action against another employer, or its employees, on the same job as the injured or deceased worker where such other employer does not stand in the position of an intermediate or principal employer to the immediate employer of the injured or deceased worker.

F. The immunity created by the provisions of this section shall not extend to action against another employer, or its employees, on the same job as the injured or deceased worker even though such other employer may be considered as standing in the position of a special master of a loaned servant where such special master neither is the immediate employer of the injured or deceased worker nor stands in the position of an intermediate or principal employer to the immediate employer of the injured or deceased worker.

G. This section shall not be construed to abrogate the loaned servant doctrine in any respect other than that described in

subsection F of this section. Nothing in this act shall be construed to relieve the employer from any other penalty provided for in this act for failure to secure the payment of compensation under this act.

H. For the purpose of extending the immunity of this section, any architect, professional engineer, or land surveyor shall be deemed an intermediate or principal employer for services performed at or on the site of a construction project, but this immunity shall not extend to the negligent preparation of design plans and specifications.

I. If the employer has failed to secure the payment of compensation as provided in this act or in the case of an intentional tort, the injured employee or his or her legal representative may maintain an action either before the Commission or in the district court, but not both.

SECTION 4. AMENDATORY Section 6, Chapter 208, O.S.L. 2013, as amended by Section 1, Chapter 390, O.S.L. 2015 (85A O.S. Supp. 2018, Section 6), is amended to read as follows:

- b. The request for a hearing does not need to be in any particular form but shall specify the grounds on which the person contests the proposed judgment, the proposed assessment, or both.
- c. If a written request for hearing is not filed with the Commission within the time specified in subparagraph a of this paragraph, the proposed judgment, the proposed penalty, or both, shall be a final judgment of the Commission and shall not be subject to further review by any court, except if the employer shows good cause why it did not timely contest the judgment or penalty.

d. A proposed judgment by the Commission under this section shall be prima facie correct, and the burden is on the employer to prove that the proposed judgment is incorrect.

3. a. If the employer alleges that a carrier has contracted to provide its workers' compensation insurance coverage for the period in question, the employer shall include the allegation in its request for hearing and shall name the carrier.

b. The Commission shall promptly notify the carrier of the employer's allegation and of the date of hearing.

7. Upon any penalty becoming final under this section, the Commission may institute collection proceedings against any assets of the employer independently or in district court including, but not limited to, an asset hearing, garnishment of income and wages,

judgment lien, or an intercept of an income tax refund consistent with Section 205.2 of Title 68 of the Oklahoma Statutes.

8. Information subject to subsection A or B of Section 4-508 of Title 40 of the Oklahoma Statutes may be disclosed to the employees of the Commission for purposes of investigation and enforcement of workers' compensation coverage requirements pursuant to this title, and such information shall be admissible in any hearing before an administrative law judge of the Commission.

SECTION 17. AMENDATORY Section 45, Chapter 208, O.S.L. 2013, as amended by Section 2, Chapter 390, O.S.L. 2015 (85A O.S. Supp. 2018, Section 45), is amended to read as follows:

Section 45. A. Temporary Total Disability.

1. If the injured employee is temporarily unable to perform his or her job or any alternative work offered by the employer, he or she shall be entitled to receive compensation equal to seventy percent (70%) of the injured employee's average weekly wage, but not to exceed ~~seventy percent (70%)~~ of the state average weekly wage, for ~~one hundred four (104)~~ one hundred fifty-six (156) weeks. Provided, there shall be no payment for the first three (3) days of the initial period of temporary total disability. If an administrative law judge finds that a consequential injury has occurred and that additional time is needed to reach maximum medical improvement, temporary total disability may continue for a period of not more than an additional fifty-two (52) weeks. Such finding shall be based upon a showing of medical necessity by clear and convincing evidence. An employer shall have the right to recover any overpayment of temporary total disability payments from a subsequent permanent partial disability award if the offset is deemed justified by the Workers' Compensation Commission.

2. When the injured employee is released from active medical treatment by the treating physician for all body parts found by the Commission to be injured, or in the event that the employee, without a valid excuse, misses three consecutive medical treatment appointments, fails to comply with medical orders of the treating physician, or otherwise abandons medical care, the employer shall be entitled to terminate temporary total disability by notifying the employee, or if represented, his or her counsel. If, however, an objection to the termination is filed by the employee within ten (10) days of termination, the Commission shall set the matter within twenty (20) days for a determination if temporary total disability

compensation shall be reinstated. The temporary total disability shall remain terminated ~~unless the employee proves the existence of a valid excuse for his or her failure to comply~~ until such time as the employee complies with medical orders of the treating physician or his or her abandonment of medical care. Notwithstanding the provisions of this paragraph, benefits under this subsection shall be permanently terminated by order of the Commission if the employee is noncompliant or abandons treatment for sixty (60) days, or if benefits under this subsection have been suspended under this paragraph at least two times. The administrative law judge may appoint an independent medical examiner to determine if further medical treatment is reasonable and necessary. The independent medical examiner shall not provide treatment to the injured worker, unless agreed upon by the parties.

B. Temporary Partial Disability.

1. If the injured employee is temporarily unable to perform his or her job, but may perform alternative work offered by the employer, he or she shall be entitled to receive compensation equal to ~~the greater of~~ seventy percent (70%) of the difference between the injured employee's average weekly wage before the injury and his or her weekly wage for performing alternative work after the injury, but only if his or her weekly wage for performing the alternative work is less than the temporary total disability rate. The injured employee's actual earnings plus temporary partial disability compensation shall not exceed the temporary total disability rate.

2. Compensation under this subsection may not exceed fifty-two (52) weeks.

3. If the employee refuses to perform the alternative work offered by the employer, he or she shall not be entitled to benefits under subsection A of this section or under this section.

C. Permanent Partial Disability.

1. A permanent partial disability award or combination of awards granted an injured worker may not exceed a permanent partial disability rating of one hundred percent (100%) to any body part or to the body as a whole. The determination of permanent partial disability shall be the responsibility of the Commission through its administrative law judges. Any claim by an employee for compensation for permanent partial disability must be supported by competent medical testimony of a medical doctor, osteopathic

physician, or chiropractor, and shall be supported by objective medical findings, as defined in this act. The opinion of the physician shall include employee's percentage of permanent partial disability and whether or not the disability is job-related and caused by the accidental injury or occupational disease. A physician's opinion of the nature and extent of permanent partial disability to parts of the body other than scheduled members must be based solely on criteria established by the ~~current edition~~ Sixth Edition of the American Medical Association's "Guides to the Evaluation of Permanent Impairment". A copy of any written evaluation shall be sent to both parties within seven (7) days of issuance. Medical opinions addressing compensability and permanent disability must be stated within a reasonable degree of medical certainty. Any party may submit the report of an evaluating physician.

2. Permanent partial disability shall not be allowed to a part of the body for which no medical treatment has been received. A determination of permanent partial disability made by the Commission or administrative law judge which is not supported by objective medical findings provided by a treating physician who is a medical doctor, doctor of osteopathy, chiropractor or a qualified independent medical examiner shall be considered an abuse of discretion.

3. The examining physician shall not deviate from the Guides except as may be specifically provided for in the Guides.

4. In cases of permanent partial disability, the compensation shall be seventy percent (70%) of the employee's average weekly wage, not to exceed ~~Three Hundred Twenty-three Dollars (\$323.00)~~ Three Hundred Fifty Dollars (\$350.00) per week which shall increase to Three Hundred Sixty Dollars (\$360.00) per week on July 1, 2021, for a term not to exceed a total of ~~three hundred fifty (350)~~ three hundred sixty (360) weeks for the body as a whole.

5. ~~Except pursuant to settlement agreements entered into by the employer and employee, payment of a permanent partial disability award shall be deferred and held in reserve by the employer or insurance company if the employee has reached maximum medical improvement and has been released to return to work by his or her treating physician, and then returns to his pre-injury or equivalent job for a term of weeks determined by dividing the total dollar value of the award by seventy percent (70%) of the employee's average weekly wage.~~

- a. ~~The amount of the permanent partial disability award shall be reduced by seventy percent (70%) of the employee's average weekly wage for each week he works in his pre-injury or equivalent job.~~
- b. ~~If, for any reason other than misconduct as defined in Section 2 of this act, the employer terminates the employee or the position offered is not the pre-injury or equivalent job, the remaining permanent partial disability award shall be paid in a lump sum. If the employee is discharged for misconduct, the employer shall have the burden to prove that the employee engaged in misconduct.~~
- c. ~~If the employee refuses an offer to return to his pre-injury or equivalent job, the permanent partial disability award shall continue to be deferred and shall be reduced by seventy percent (70%) of the employee's average weekly wage for each week he refuses to return to his pre-injury or equivalent job.~~
- d. ~~Attorney fees for permanent partial disability awards, as approved by the Commission, shall be calculated based upon the total permanent partial disability award and paid in full at the time of the deferral.~~
- e. ~~Assessments pursuant to Sections 31, 98, 112 and 165 122 of this act title shall be calculated based upon the amount of the permanent partial disability award and shall be paid at the time of the deferral.~~

6. Previous Disability: The fact that an employee has suffered previous disability or received compensation therefor shall not preclude the employee from compensation for a later accidental personal injury or occupational disease. In the event there exists a previous permanent partial disability, including a previous non-work-related injury or condition which produced permanent partial disability and the same is aggravated or accelerated by an accidental personal injury or occupational disease, compensation for permanent partial disability shall be only for such amount as was caused by such accidental personal injury or occupational disease and no additional compensation shall be allowed for the preexisting disability or impairment. Any such reduction shall not apply to

temporary total disability, nor shall it apply to compensation for medical treatment.

~~a.~~ If workers' compensation benefits have previously been awarded through settlement or judicial or administrative determination in Oklahoma, the percentage basis of the prior settlement or award shall conclusively establish the amount of permanent partial disability determined to be preexisting. If workers' compensation benefits have not previously been awarded through settlement or judicial or administrative determination in Oklahoma, the amount of preexisting permanent partial disability shall be established by competent evidence and determined by the Commission.

~~b.~~ ~~In all cases, the applicable reduction shall be calculated as follows:~~

~~(1) if the preexisting impairment is the result of injury sustained while working for the employer against whom workers' compensation benefits are currently being sought, any award of compensation shall be reduced by the current dollar value attributable under the Administrative Workers' Compensation Act to the percentage of permanent partial disability determined to be preexisting. The current dollar value shall be calculated by multiplying the percentage of preexisting permanent partial disability by the compensation rate in effect on the date of the accident or injury against which the reduction will be applied, and~~

~~(2) in all other cases, the employer against whom benefits are currently being sought shall be entitled to a credit for the percentage of preexisting permanent partial disability.~~

7. No payments on any permanent partial disability order shall begin until payments on any preexisting permanent partial disability orders have been completed.

8. The whole body shall represent a maximum of ~~three hundred fifty (350)~~ three hundred sixty (360) weeks.

9. The permanent partial disability rate of compensation for amputation or permanent total loss of use of a scheduled member specified in Section 46 of this ~~act~~ title shall be seventy percent (70%) of the employee's average weekly wage, not to exceed ~~Three Hundred Twenty-three Dollars (\$323.00)~~ Three Hundred Fifty Dollars (\$350.00), with an increase to Three Hundred Sixty Dollars (\$360.00) on July 1, 2021, multiplied by the number of weeks set forth for the member in Section 46 of this ~~act~~ title, regardless of whether the injured employee is able to return to his or her pre-injury or equivalent job.

10. An injured employee who is eligible for permanent partial disability under this subsection shall be entitled to receive vocational rehabilitation services provided by a technology center or public secondary school offering vocational-technical education courses, or a member institution of The Oklahoma State System of Higher Education, which shall include retraining and job placement to restore the employee to gainful employment. Vocational rehabilitation services or training shall not extend for a period of more than fifty-two (52) weeks.

D. Permanent Total Disability.

1. In case of total disability adjudged to be permanent, seventy percent (70%) of the employee's average weekly wages, but not in excess of the state's average weekly wage, shall be paid to the employee during the continuance of the disability until such time as the employee reaches the age of maximum Social Security retirement benefits or for a period of fifteen (15) years, whichever is longer. In the event the claimant dies of causes unrelated to the injury or illness, benefits shall cease on the date of death. Provided, however, any person entitled to revive the action shall receive a one-time lump-sum payment equal to twenty-six (26) weeks of weekly benefits for permanent total disability awarded the claimant. If more than one person is entitled to revive the claim, the lump-sum payment shall be evenly divided between or among such persons. In the event the Commission awards both permanent partial disability and permanent total disability benefits, the permanent total disability award shall not be due until the permanent partial disability award is paid in full. If otherwise qualified according to the provisions of this act, permanent total disability benefits may be awarded to an employee who has exhausted the maximum period of temporary total disability even though the employee has not reached maximum medical improvement.

2. The Workers' Compensation Commission shall annually review the status of any employee receiving benefits for permanent total disability against the last employer. The Commission shall require the employee to annually file an affidavit under penalty of perjury stating that he or she is not and has not been gainfully employed and is not capable of gainful employment. Failure to file such affidavit shall result in suspension of benefits; provided, however, reinstatement of benefits may occur after proper hearing before the Commission.

E. 1. The Workers' Compensation Commission ~~shall~~ may hire or contract for a Vocational Rehabilitation Director to oversee the vocational rehabilitation program of the Commission.

~~2. The Vocational Rehabilitation Director shall help injured workers return to the work force. If the injured employee is unable to return to his or her pre-injury or equivalent position due to permanent restrictions as determined by the treating physician, upon the request of either party, the Vocational Rehabilitation Director shall determine if it is appropriate for a claimant to receive vocational rehabilitation training or services, and will oversee such training. If appropriate, the Vocational Rehabilitation Director shall issue administrative orders, including, but not limited to, an order for a vocational rehabilitation evaluation for any injured employee unable to work for at least ninety (90) days. In addition, the Vocational Rehabilitation Director may assign injured workers to vocational rehabilitation counselors for coordination of recommended services. The cost of the services shall be paid by the employer. All administrative orders are subject to appeal to the full Commission.~~

~~3. There shall be a presumption in favor of ordering vocational rehabilitation services or training for an eligible injured employee under the following circumstances:~~

- ~~a. if the employee's occupation is truck driver or laborer and the medical condition is traumatic brain injury, stroke or uncontrolled vertigo,~~
- ~~b. if the employee's occupation is truck driver or laborer performing high-risk tasks and the medical condition is seizures,~~

- ~~e. if the employee's occupation is manual laborer and the medical condition is bilateral wrist fusions,~~

- ~~h. if the employee's occupation is heavy laborer and the medical condition is recurrent inguinal hernia following unsuccessful surgical repair,~~
- ~~i. if the employee's occupation is heavy manual laborer and the medical condition is total knee replacement or total hip replacement,~~
- ~~j. if the employee's occupation is roofer and the medical condition is calcaneal fracture, medically or surgically treated,~~
- ~~k. if the employee's occupation is laborer of any kind and the medical condition is total shoulder replacement,~~

If appropriate, the administrative law judge shall refer the employee to a qualified expert for evaluation of the practicability of, need for and kind of rehabilitation services or training necessary and appropriate in order to restore the employee to gainful employment. The cost of the evaluation shall be paid by the employer. Following the evaluation, if the employee refuses the services or training ordered by the administrative law judge, or fails to complete in good faith the vocational rehabilitation training ordered by the administrative law judge, then the cost of the evaluation and services or training rendered may, in the discretion of the administrative law judge, be deducted from any award of benefits to the employee which remains unpaid by the employer.~~

~~3. Upon receipt of such report, and after affording all parties an opportunity to be heard, the administrative law judge shall order that any rehabilitation services or training, recommended in the report, or such other rehabilitation services or training as the administrative law judge may deem necessary, provided the employee elects to receive such services, shall be provided at the expense of the employer. Except as otherwise provided in this subsection, refusal to accept rehabilitation services by the employee shall in no way diminish any benefits allowable to an employee.~~

~~5. 4. The administrative law judge may order vocational rehabilitation before the injured employee reaches maximum medical improvement, if the treating physician believes that it is likely that the employee's injury will prevent the employee from returning to his or her former employment. In granting early benefits for vocational rehabilitation, the Commission shall consider temporary restrictions and the likelihood that such rehabilitation will return~~

the employee to gainful employment earlier than if such benefits are granted after the permanent partial disability hearing in the claim.

~~6.~~ 5. Vocational rehabilitation services or training shall not extend for a period of more than fifty-two (52) weeks. A request for vocational rehabilitation services or training shall be filed with the Commission by an interested party not later than sixty (60) days from the date of receiving permanent ~~restrictions~~ disability that ~~prevent~~ prevents the injured employee from returning to his or her pre-injury or equivalent position.

All tuition related to vocational rehabilitation services shall be paid by the employer or the employer's insurer on a periodic basis directly to the facility providing the vocational rehabilitation services or training to the employee. ~~The employer or employer's insurer may deduct the amount paid for tuition from compensation awarded to the employee.~~

#### F. Disfigurement.

an injury, the injured employee may select a physician to provide medical treatment at the expense of the employer; provided, however, that the injured employee, or another in the employee's behalf, may obtain emergency treatment at the expense of the employer where such emergency treatment is not provided by the employer.

C. Diagnostic tests shall not be repeated sooner than six (6) months from the date of the test unless agreed to by the parties or ordered by the Commission for good cause shown.

D. Unless recommended by the treating doctor at the time claimant reaches maximum medical improvement or by an independent medical examiner, continuing medical maintenance shall not be awarded by the Commission. The employer or insurance carrier shall not be responsible for continuing medical maintenance or pain management treatment that is outside the parameters established by the Physician Advisory Committee or ODG. The employer or insurance carrier shall not be responsible for continuing medical maintenance or pain management treatment not previously ordered by the Commission or approved in advance by the employer or insurance carrier.

E. An employee claiming or entitled to benefits under this act, shall, if ordered by the Commission or requested by the employer or insurance carrier, submit himself or herself for medical examination. If an employee refuses to submit himself or herself to examination, his or her right to prosecute any proceeding under this act shall be suspended, and no compensation shall be payable for the period of such refusal.

F. For compensable injuries resulting in the use of a medical device, ongoing service for the medical device shall be provided in situations including, but not limited to, medical device battery replacement, ongoing medication refills related to the medical device, medical device repair, or medical device replacement.

G. The employer shall reimburse the employee for the actual mileage in excess of twenty (20) miles round-trip to and from the employee's home to the location of a medical service provider for all reasonable and necessary treatment, for an evaluation of an independent medical examiner and for any evaluation made at the request of the employer or insurance carrier. The rate of reimbursement for such travel expense shall be the official reimbursement rate as established by the State Travel Reimbursement

Act. In no event shall the reimbursement of travel for medical treatment or evaluation exceed six hundred (600) miles round trip.

#### H. Fee Schedule.

1. The Commission shall conduct a review and update of the Current Procedural Terminology (CPT) in the Fee Schedule every two (2) years pursuant to the provisions of paragraph 14 of this subsection. The Fee Schedule shall establish the maximum rates that medical providers shall be reimbursed for medical care provided to injured employees, including, but not limited to, charges by physicians, dentists, counselors, hospitals, ambulatory and outpatient facilities, clinical laboratory services, diagnostic testing services, and ambulance services, and charges for durable medical equipment, prosthetics, orthotics, and supplies. The most current Fee Schedule established by the Administrator of the Workers' Compensation Court prior to ~~the effective date of this section~~ February 1, 2014, shall remain in effect, unless or until the Legislature approves the Commission's proposed Fee Schedule.

2. Reimbursement for medical care shall be prescribed and limited by the Fee Schedule ~~as adopted by the Commission, after notice and public hearing, and after approval by the Legislature by joint resolution~~. The director of the Employees Group Insurance Division of the Office of Management and Enterprise Services shall provide the Commission such information as may be relevant for the development of the Fee Schedule. The Commission shall develop the Fee Schedule in a manner in which quality of medical care is assured and maintained for injured employees. The Commission shall give due consideration to additional requirements for physicians treating an injured worker under this act, including, but not limited to, communication with claims representatives, case managers, attorneys, and representatives of employers, and the additional time required to complete forms for the Commission, insurance carriers, and employers.

3. In making adjustments to the Fee Schedule, the Commission shall use, as a benchmark, the reimbursement rate for each Current Procedural Terminology (CPT) code provided for in the fee schedule published by the Centers for Medicare and Medicaid Services of the U.S. Department of Health and Human Services for use in Oklahoma (Medicare Fee Schedule) on the effective date of this section, workers' compensation fee schedules employed by neighboring states, the latest edition of "Relative Values for Physicians" (RVP), usual, customary and reasonable medical payments to workers' compensation

health care providers in the same trade area for comparable treatment of a person with similar injuries, and all other data the Commission deems relevant. For services not valued by CMS, the Commission shall establish values based on the usual, customary and reasonable medical payments to health care providers in the same trade area for comparable treatment of a person with similar injuries.

- a. No reimbursement shall be allowed for any magnetic resonance imaging (MRI) unless the MRI is provided by an entity that meets Medicare requirements for the payment of MRI services or is accredited by the American College of Radiology, the Intersocietal Accreditation Commission or the Joint Commission on Accreditation of Healthcare Organizations. For all other radiology procedures, the reimbursement rate shall be the lesser of the reimbursement rate allowed by the 2010 Oklahoma Fee Schedule and two hundred seven percent (207%) of the Medicare Fee Schedule.
- b. For reimbursement of medical services for Evaluation and Management of injured employees as defined in the Fee Schedule adopted by the Commission, the reimbursement rate shall not be less than one hundred fifty percent (150%) of the Medicare Fee Schedule.
- c. Any entity providing durable medical equipment, prosthetics, orthotics or supplies shall be accredited by a CMS-approved accreditation organization. If a physician provides durable medical equipment, prosthetics, orthotics, prescription drugs, or supplies to a patient ancillary to the patient's visit, reimbursement shall be no more than ten percent (10%) above cost.
- d. The Commission shall develop a reasonable stop-loss provision of the Fee Schedule to provide for adequate reimbursement for treatment for major burns, severe head and neurological injuries, multiple system injuries, and other catastrophic injuries requiring extended periods of intensive care. An employer or insurance carrier shall have the right to audit the charges and question the reasonableness and necessity of medical treatment contained in a bill for treatment covered by the stop-loss provision.

4. The right to recover charges for every type of medical care for injuries arising out of and in the course of covered employment as defined in this act shall lie solely with the Commission. When a medical care provider has brought a claim to the Commission to obtain payment for services, a party who prevails in full on the claim shall be entitled to reasonable attorney fees.

5. Nothing in this section shall prevent an employer, insurance carrier, group self-insurance association, or certified workplace medical plan from contracting with a provider of medical care for a reimbursement rate that is greater than or less than limits established by the Fee Schedule.

6. A treating physician may not charge more than Four Hundred Dollars (\$400.00) per hour for preparation for or testimony at a deposition or appearance before the Commission in connection with a claim covered by the Administrative Workers' Compensation Act.

7. The Commission's review of medical and treatment charges pursuant to this section shall be conducted pursuant to the Fee Schedule in existence at the time the medical care or treatment was provided. The judgment approving the medical and treatment charges pursuant to this section shall be enforceable by the Commission in the same manner as provided in this act for the enforcement of other compensation payments.

8. Charges for prescription drugs dispensed by a pharmacy shall be limited to ninety percent (90%) of the average wholesale price of the prescription, plus a dispensing fee of Five Dollars (\$5.00) per prescription. "Average wholesale price" means the amount determined from the latest publication designated by the Commission. Physicians shall prescribe and pharmacies shall dispense generic equivalent drugs when available. If the National Drug Code, or "NDC", for the drug product dispensed is for a repackaged drug, then the maximum reimbursement shall be the lesser of the original labeler's NDC and the lowest-cost therapeutic equivalent drug product. Compounded medications shall be billed by the compounding pharmacy at the ingredient level, with each ingredient identified using the applicable NDC of the drug product, and the corresponding quantity. Ingredients with no NDC area are not separately reimbursable. Payment shall be based on a sum of the allowable fee for each ingredient plus a dispensing fee of Five Dollars (\$5.00) per prescription.

9. When medical care includes prescription drugs dispensed by a physician or other medical care provider and the NDC for the drug product dispensed is for a repackaged drug, then the maximum reimbursement shall be the lesser of the original labeler's NDC and the lowest-cost therapeutic equivalent drug product. Payment shall be based upon a sum of the allowable fee for each ingredient plus a dispensing fee of Five Dollars (\$5.00) per prescription. Compounded medications shall be billed by the compounding pharmacy.

10. Implantables are paid in addition to procedural reimbursement paid for medical or surgical services. A manufacturer's invoice for the actual cost to a physician, hospital or other entity of an implantable device shall be adjusted by the physician, hospital or other entity to reflect, at the time implanted, all applicable discounts, rebates, considerations and product replacement programs and shall be provided to the payer by the physician or hospital as a condition of payment for the implantable device. If the physician, or an entity in which the physician has a financial interest other than an ownership interest of less than five percent (5%) in a publically traded company, provides implantable devices, this relationship shall be disclosed to patient, employer, insurance company, third-party commission, certified workplace medical plan, case managers, and attorneys representing claimant and defendant. If the physician, or an entity in which the physician has a financial interest other than an ownership interest of less than five percent (5%) in a publically publicly traded company, buys and resells implantable devices to a hospital or another physician, the markup shall be limited to ten percent (10%) above cost.

11. Payment for medical care as required by this act shall be due within forty-five (45) days of the receipt by the employer or insurance carrier of a complete and accurate invoice, unless the employer or insurance carrier has a good-faith reason to request additional information about such invoice. Thereafter, the Commission may assess a penalty up to twenty-five percent (25%) for any amount due under the Fee Schedule that remains unpaid on the finding by the Commission that no good-faith reason existed for the delay in payment. If the Commission finds a pattern of an employer or insurance carrier willfully and knowingly delaying payments for medical care, the Commission may assess a civil penalty of not more than Five Thousand Dollars (\$5,000.00) per occurrence.

12. If an employee fails to appear for a scheduled appointment with a physician, the employer or insurance company shall pay to the

physician a reasonable charge, to be determined by the Commission, for the missed appointment. In the absence of a good-faith reason for missing the appointment, the Commission shall order the employee to reimburse the employer or insurance company for the charge.

13. Physicians providing treatment under this act shall disclose under penalty of perjury to the Commission, on a form prescribed by the Commission, any ownership or interest in any health care facility, business, or diagnostic center that is not the physician's primary place of business. The disclosure shall include any employee leasing arrangement between the physician and any health care facility that is not the physician's primary place of business. A physician's failure to disclose as required by this section shall be grounds for the Commission to disqualify the physician from providing treatment under this act.

14. a. Beginning on the effective date of this act, the Commission shall conduct an evaluation of the Fee Schedule, which shall include an update of the list of Current Procedural Terminology (CPT) codes, a line item adjustment or renewal of all rates, and amendment as needed to the rules applicable to the Fee Schedule.
- b. The Commission shall contract with an external consultant with knowledge of workers' compensation fee schedules to review regional and nationwide comparisons of Oklahoma's Fee Schedule rates and date and market for medical services. The consultant shall receive written and oral comment from employers, workers' compensation medical service and insurance providers, self-insureds, group self-insurance associations of this state and the public. The consultant shall submit a report of its findings and a proposed amended Fee Schedule to the Commission.
- c. The Commission shall adopt the proposed amended Fee Schedule in whole or in part and make any additional updates or adjustments. The Commission shall submit a proposed updated and adjusted Fee Schedule to the President Pro Tempore of the Senate, the Speaker of the House of Representatives and the Governor. The proposed Fee Schedule shall become effective on July 1 following the legislative session, if approved by Joint Resolution of the Legislature during the session in which a proposed Fee Schedule is submitted.

d. Beginning on the effective date of this act, an external evaluation shall be conducted and a proposed amended Fee Schedule shall be submitted to the Legislature for approval during the 2020 legislative session. Thereafter, an external evaluation shall be conducted and a proposed amended Fee Schedule shall be submitted to the Legislature for approval every two (2) years.

I. Formulary. The Commission by rule shall adopt a closed formulary. Rules adopted by the Commission shall allow an appeals process for claims in which a treating doctor determines and documents that a drug not included in the formulary is necessary to treat an injured employee's compensable injury. The Commission by rule shall require the use of generic pharmaceutical medications and clinically appropriate over-the-counter alternatives to prescription medications unless otherwise specified by the prescribing doctor, in accordance with applicable state law.

SECTION 21. AMENDATORY Section 53, Chapter 208, O.S.L. 2013 (85A O.S. Supp. 2018, Section 53), is amended to read as follows:

Section 53. A. An injured employee claiming to be entitled to benefits under this act shall submit to physical examination and treatment by another qualified physician, designated or approved by the Commission, as the Commission may require from time to time if reasonable and necessary.

B. In cases where the Commission directs examination or treatment, proceedings shall be suspended, and no compensation shall be payable for any period during which the employee refuses to submit to examination and treatment or otherwise obstructs the examination or treatment.

C. Failure of the employee to obey a judgment of the Commission for an examination or treatment ~~for a period of one (1) month from the date of the judgment~~ shall bar the right of the claimant to further temporary total disability compensation in respect to the injury.

SECTION 22. AMENDATORY Section 60, Chapter 208, O.S.L. 2013 (85A O.S. Supp. 2018, Section 60), is amended to read as follows:

Section 60. The Physician Advisory Committee may recommend the adoption of a method or system to evaluate permanent disability that shall deviate from, or be used in place of or in combination with the Guides. Such recommendation shall be made to the Workers' Compensation Commission which may adopt the recommendation in part or in whole. The adopted method or system shall be submitted by the Executive Director of the Commission to the Governor, the Speaker of the House of Representatives and the President Pro Tempore of the Senate within the first ten (10) legislative days of a regular session of the Legislature. Such method or system so submitted shall be subject to disapproval by joint or concurrent resolution of the Legislature during the legislative session in which submitted. If disapproved, the existing method of determining permanent partial disability shall continue in effect. If the Legislature takes no action on the method or system submitted by the Executive Director, the method or system shall become operative thirty (30) days following the adjournment of the Legislature.

SECTION 23. AMENDATORY Section 62, Chapter 208, O.S.L. 2013 (85A O.S. Supp. 2018, Section 62), is amended to read as follows:

Section 62. A. Notwithstanding the provisions of Section 45 of this ~~act~~ title, if an employee suffers a nonsurgical soft tissue injury, temporary total disability compensation shall not exceed eight (8) weeks, regardless of the number of parts of the body to which there is a nonsurgical soft tissue injury. An employee who is treated with an injection or injections shall be entitled to an extension of an additional eight (8) weeks. For purposes of this section, an injection shall not include facet injections or intravenous injections. An employee who has been recommended by a treating physician for surgery for a soft tissue injury may petition the Workers' Compensation Commission for one extension of temporary total disability compensation and the Commission may order an extension, not to exceed sixteen (16) additional weeks. If the surgery is not performed within thirty (30) days of the approval of the surgery by the employer, its insurance carrier, or an order of the Commission authorizing the surgery, and the delay is caused by the employee acting in bad faith, the benefits for the extension period shall be terminated and the employee shall reimburse the employer any temporary total disability compensation he or she received beyond eight (8) weeks. An epidural steroid injection, or any procedure of the same or similar physical invasiveness, shall not be considered surgery.

B. For purposes of this section, "soft tissue injury" means damage to one or more of the tissues that surround bones and joints. Soft tissue injury includes, but is not limited to, sprains, strains, contusions, tendonitis and muscle tears. Cumulative trauma is to be considered a soft tissue injury unless corrective surgery is necessary. Soft tissue injury does not include any of the following:

1. Injury to or disease of the spine, spinal discs, spinal nerves or spinal cord, where corrective surgery is performed;
2. Brain or closed-head injury as evidenced by:
  - a. sensory or motor disturbances,
  - b. communication disturbances,
  - c. complex integrated disturbances of cerebral function,
  - d. episodic neurological disorders, or
  - e. other brain and closed-head injury conditions at least as severe in nature as any condition provided in subparagraphs a through d of this paragraph; or
3. Any joint replacement.

SECTION 24. AMENDATORY Section 63, Chapter 208, O.S.L. 2013 (85A O.S. Supp. 2018, Section 63), is amended to read as follows:

Section 63. A. Within ten (10) days after the date of receipt of notice or of knowledge of injury or death, the employer shall send to the Workers' Compensation Commission a report setting forth:

1. The name, address, and business of the employer;
2. The name, address, and occupation of the employee;
3. The cause and nature of the injury or death;
4. The year, month, day, approximately when, and the particular locality where, the injury or death occurred; and

5. Such other information as the Commission may require.

B. Additional reports with respect to the injury and of the condition of the employee shall be sent by the employer to the Commission at such time and in such manner as the Commission may prescribe. However, an employer may refuse to provide any information that it deems privileged or confidential.

C. Any report provided for in subsection A or B of this section shall not be evidence of any fact stated in the report in any proceeding with respect to the injury or death on account of which the report is made. Any such report shall be kept confidential and shall not be open to public inspection; provided, however, such report shall be made available immediately upon request by the injured employee named in the report, the injured employee's legal representative, or any prosecutorial authority. The report shall be open to public inspection upon the employee's first notice of claim for compensation being filed.

D. The mailing of any report in a stamped envelope, properly addressed, within the time prescribed in subsection A or B of this section, shall be in compliance with this section. In addition, the Commission shall establish a means of electronic delivery of any report or other information required by this section.

E. 1. Any employer who after notice refuses to send any report required by this section shall be subject to a civil penalty in an amount of Five Hundred Dollars (\$500.00) for each refusal.

2. Whenever the employer has failed or refused to comply as provided in this section, the Commission may serve on the employer a proposed judgment declaring the employer to be in violation of this act and containing the amount, if any, of the civil penalty to be assessed against the employer under this section.

F. An employer may contest a proposed judgment of the Commission issued under subsection E of this section by filing with the Commission, within twenty (20) days of receipt of the proposed judgment, a written request for a hearing. If a written request for hearing is not filed with the Commission within this time, the proposed judgment, proposed penalty, or both, shall be a final judgment of the Commission. The request for a hearing does not need to be in any particular form but shall specify the grounds on which the person contests the proposed judgment, the proposed assessment, or both. A proposed judgment by the Commission under this section

shall be prima facie correct, and the burden is on the employer to prove that the proposed judgment is incorrect.

G. Hearings conducted under this section shall proceed as provided in Sections 69 through 78 of this ~~act~~ title.

H. If an employer fails to pay any civil penalty assessed against the employer after a judgment issued under this section has become final by operation of law, the Commission may petition the district court of the county where the employer's principal place of business is located for an order enjoining the employer from engaging in further employment or conduct of business until such time as the employer makes all required reports and pays all civil penalties.

SECTION 25. AMENDATORY Section 66, Chapter 208, O.S.L. 2013 (85A O.S. Supp. 2018, Section 66), is amended to read as follows:

Section 66. A. As used in this act, unless the context otherwise requires:

1. "Asbestosis" means the characteristic fibrotic condition of the lungs caused by the inhalation of asbestos dust; and

2. "Silicosis" means the characteristic fibrotic condition of the lungs caused by the inhalation of silica dust.

B. In the absence of ~~conclusive~~ a preponderance of the evidence in favor of the claim, disability or death from silicosis or asbestosis shall be presumed not to be due to the nature of any occupation within the provision of this section unless during the ten (10) years immediately preceding the date of disablement the employee has been exposed to the inhalation of silica dust or asbestos dust over a period of not less than five (5) years, two (2) years of which shall have been in this state, under a contract of employment performed in this state. However, if the employee has been employed by the same employer during the entire five-year period, his or her right to compensation against the employer shall not be affected by the fact that he or she had been employed during any part of the period outside of this state.

C. Except as otherwise provided in this section, compensation for disability from uncomplicated silicosis or asbestosis shall be

payable in accordance with the provisions of Sections 45 and 48 of this ~~act~~ title.

D. 1. In case of disability or death from silicosis or asbestosis complicated with tuberculosis of the lungs, compensation shall be payable as for uncomplicated silicosis or asbestosis, provided that the silicosis or asbestosis was an essential factor in the causing of disability or death.

2. In case of disability or death from silicosis or asbestosis complicated with any other disease, or from any other disease complicated with silicosis or asbestosis, the compensation shall be reduced as provided in subsection C of Section 65 of this ~~act~~ title.

~~E. 1. When an employee, though not actually disabled, is found by the Commission to be affected by silicosis or asbestosis to such a degree as to make it unduly hazardous for him or her to continue in an employment involving exposure to the hazards of the disease, the Commission may order that he or she be removed from his or her employment. In such a case, or in case he or she has already been discharged from the employment and is unemployed, he or she shall be entitled to compensation until he or she can obtain steady employment in some other suitable occupation in which there are no hazards of the disease.~~

~~2. When in any case the forced change of employment shall, in the opinion of the Commission, require that the employee be given special training in order to qualify him or her for another occupation, the employer liable for compensation shall pay for the vocational rehabilitation and training provided for in this act.~~
